

UNLOCK THE POTENTIAL OF YOUR SALON

Hi There,

You've dedicated countless hours to building your salon—curating the perfect space, crafting unique client experiences, and investing your heart into every detail. At CLICS, we understand that journey because we've walked it ourselves.

Leilani Macedo, a passionate salon owner like you, faced the same challenges. She knew there had to be a better way. Partnering with tech innovator Charles Brown, she created CLICS—a groundbreaking system that enhances your hard work and unlocks new possibilities.

You've done the hard work to build your business.
Let CLICS elevate it to the next level.

HERE'S HOW CLICS HELPS YOUR SALON THRIVE WITH CUTTING-EDGE TECHNOLOGY

Precise Color Dispensing

The CLICS dispenser uses smart sensors to measure each gram of color, reducing waste and ensuring the color formulation is perfectly precise.

Automatic Inventory Management

Powered by a sophisticated cloud-based system, CLICS tracks your inventory in real time, automatically reordering products when needed, so you never run out.

Custom Color Creation

The CLICS mobile app lets you mix any color you need—quickly and easily—right from your smartphone. Whether it's a soft pastel or a vibrant hue, create the perfect shade every time.

“I put everything into my salon, and CLICS gave me the tools to grow in ways I never imagined.”

—Andrea, Salon Owner
