

## Your Artistry Powered by CLICS

Hi There,

Every shade, every style, every transformation—your work defines your clients' confidence. At CLICS, we believe your artistry deserves the best tools to make every moment count.

[DISCOVER THE BENEFITS](#)

Created BY salon owners FOR salon owners,  
CLICS combines industry experience  
with cutting-edge technology.

### Custom Color Mixing

With the CLICS mobile app, you can mix and store unlimited custom shades, using color conversions from top brands. You can also create your very own shades and collections without brand limitations.

### Real-Time Data and Analytics

Gain insights into your business like never before. Track color usage, inventory levels, and even client preferences—so you can make informed decisions that lead to more creative freedom and higher profits.

### On-Demand Customization

CLICS integrates seamlessly into your salon operations, from color dispensing to inventory management, providing a smooth and easy experience.

### Real Story

Jane's custom pink shade, crafted with CLICS, went viral on Instagram, bringing her new clients and greater recognition.

CLICS doesn't just enhance your work  
it amplifies your reach and reputation.
