WITH CLICS YOU GET:

Effortless Operations

With automated inventory tracking, precise color dispensing, and on-demand custom formulations, CLICS takes care of the technical side of your business so you can focus on growing it.

Unmatched Creativity

Create any color using the CLICS mobile app. Adjust formulas and create new ones in real time.

Data-Driven Decisions

Track your business with advanced analytics, from inventory reports to color trends, so you can make smarter decisions and increase profits.

"CLICS has revolutionized my salon by providing precise dispense reporting and records color formulations for every client, giving me unparalleled control and insight into the salon's color services."

– Cori, Salon Owner
